

Alyssa Bakes It

Cake Cutting Guide

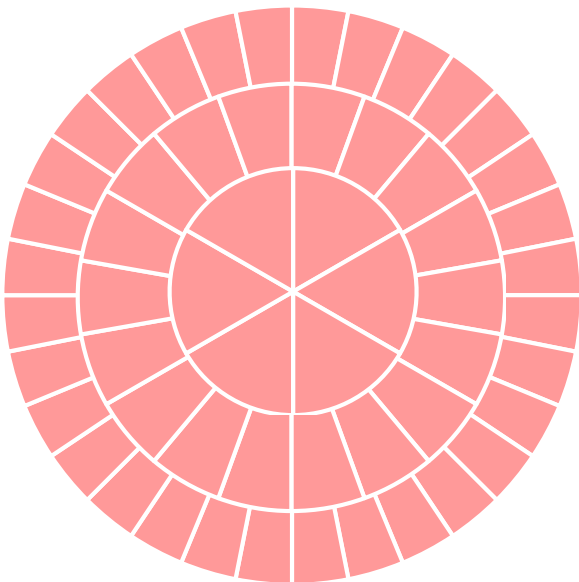

8 inch - 24 servings

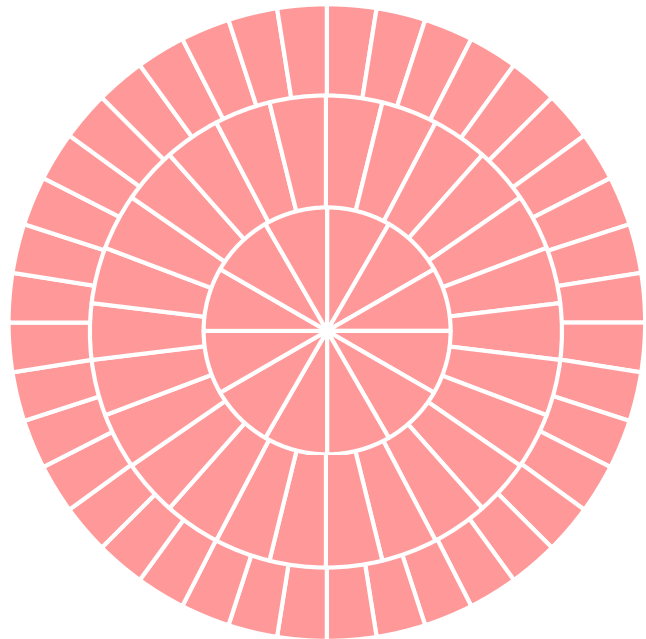

10 inch - 32 servings

12 inch - 56 servings

14 inch - 78 servings

1. Remove top tier of cake.
2. Move in two inches from tier's outer edge; cut a circle and then slice 1 in. pieces outside the circle.
3. Move in another 2 in., cut another circle, slice 1 in. pieces all the way around.
4. Cut center core of each tier straight across like a pie.
